The Brisbane Resources Round-up (previously known as the Mining Resources Convention) will bring together Australia's leading resources companies and corporate investment advisers at one of the east coast's most popular and long lasting resources forums.

Building on a strong reputation which dates back to the year 2000, this event has always been a must attend for all associated with the resources community. The diverse range of participating resources companies provides outstanding future business opportunities and over its 18 year existence, this event has been the catalyst at initiating a number of new joint ventures, placements and investments. Make sure you don't miss out on the next big opportunity.

The action packed programme and delegate registration details are outlined in this brochure. We look forward to seeing you at the Brisbane Resources Round-up on the 17 & 18 October 2018.
